Proactivity

✅ Strength of will
What is a proactivity?

Taking initiative
“Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it’s the only thing that ever has.”

— Margaret Mead
Why does proactivity matter?

- Proactive people don’t accept the world as it is or wait for direction from others to initiate change.
- Instead, they take matters into their own hands, acting to make the world better for themselves and others.
- They speak truth to power, take charge to solve problems, and champion new ideas.
